

CIVA School Accountability Committee  
Minutes - 5 January 2015

A meeting of the CIVA School Accountability Committee was held at 5:30 PM on 5 January 2015, Keith Benson, Curtis Cook and Cyrie Dantzler attending. As this was the first meeting of the newly constituted committee, yet to have established membership, the three attending were deemed a quorum.

The statutory position of the committee and statutory assignments were discussed.

- The SAC is formally a subcommittee of the CIVA Board.
- The SAC is assigned to consider and assess:
  - school climate (e.g. Principal's state of the school, parental involvement and support),
  - school performance (e.g. UIP/SPF and other test results, budget),
  - stakeholder attitudes and assessments (e.g. parent survey).
- The SAC is then to make reports and recommendations to the Board on these or other matters that it chooses to take up.

The committee resolved to call another meeting in February with renewed effort to summon additional parent volunteers.
