2. State of School report: 10 minutes
3. USIP/Data Check report: 20 minutes
4. Safety and Security: 5 Minutes
5. Quarterly Focus: 10 minutes

6. Plus/Delta 5 minutes

1. Minutes reviewed from last meeting.
2. Enrollment - 186. We are on a waiting list for all grades as of March 2014.

Spring OLE: Grade level OLEs great success. Seniors got great media for the Habitat for Humanity build in Woodland Park. Need to look into chartered buses for next year. With new D11 timing not a lot of time for 10th graders to really benefit from Denver History Museum.

Budget: All purchases are to be approved before any ordering can be done.

Fundraising: Created vendor list and sent to Booster to start a donation letter campaign. See attached.

3. USIP/Data Check: 4th quarter results reviewed. See USIP attached.
4. Looking at having the roof access taken off the back of building and put inside front office. Still too many students finding a way up on our roof.
5. Successful Blood drive on the 2nd. We would like to have this be an annual opportunity for our community.
