

## EDUCATIONAL ALTERNATIVES FOR EXPELLED STUDENTS

(Regulation) [Policy](#)

The District shall notify an expelled student and the student's parents/guardians of the educational services available to that student at the time of any expulsion. All requests for educational services for expelled students must be made in writing to the Office of Student Discipline Services by the student or the student's parent/guardian within 10 school days of the expulsion. The Division of Instruction shall determine the amount of credit an expelled student shall receive toward graduation for the educational services in which the expelled student participates.
